

**AMENDMENT**

Please enter the amendments to the claims as shown on the following pages.

Support for component (a) comprising a vinyl arene (that is, a vinyl aromatic monomer) is found in paragraphs 0022 and 0032, as well as original claim 5. Support for the non-cyclic olefin of (b) being branched is found in paragraph 0031. Support for 2-methylbutene in claim 10 is found in paragraph 0031. Support for the Lewis acids and sulfonated crosslinked polystyrene resins of new claim 25 is found in paragraph 0033. Support for new claim 26 is found in paragraph 0022.
